

2016 Alt-Election Guide for Undecided Voters

*Vote for Donald Trump
if you think:*

Donald is a sinner, but
Hillary is the devil

We need another
Clarence Thomas

Trickle-down economics
and cost savings will fund
big government for the
middle class

Not at the expense of
border protection and
domestic priorities

Our party's like a big
white tent, but without
the party or the people!

She's a liar, and "if you're
looking for a perfect
candidate, you will not
find Jesus Christ's name
on the ballot"

Religious-Conservative Test

This election offers a profound choice between good and evil.

Social-Conservative Test

The U.S. Supreme Court is our country's last bulwark against moral decay, including abortions-on-demand, gay weddings, genderless bathrooms, limits on the exercise of religious faith, violence against cops, recreational drug use other than alcohol and cigarettes, euthanasia outside of prisons, and urban crime and violence.

Fiscal-Conservative Test

Ronald Reagan carried the stone tablets down the mountainside – eliminate foreign trade barriers, repeal business and estate taxes, reduce the size and reach of the federal government and cut the taxes supporting it, and privatize or reform entitlement programs.

Neo-Conservative Test

Pay homage to the unholy trinity of war – strengthen our armed forces, expand our regional alliances, and intimidate our foes (note: the party positions have reversed in 2016 over prior years).

Alt-Right Test

"It flipped so fast, and suddenly we were in the minority. That's a scary feeling. Makes you wonder where the white Christians went."

Character Test

Demagogue
Narcissist and egomaniac
Misogynist and sexist
Xenophobe and nativist
Racist and prejudiced

*Vote for Hillary Clinton
if you think:*

Bill is a sinner, but
Hillary is not

Remember Bush v. Gore

Wall Street, main street
and the über rich will fund
big government for the
poor

Americans pay no mind to
foreign arms sales and
undeclared proxy wars

It's still white robes but
without the white robes,
right? Just rebranding?

I'm with Hill, and she's
with Bill, and we're in it
to win it . . . again
